## EXTRA SUGAR FOR CANNING

Sugar for home canning during 1944 will be available through 10 of the "F" coupons found in the ration book at present in use, and also through the sugar alternative of the "D" preserve coupons.

The special "Canning Sugar" coupons and the "D" coupons will be interchangeable. Housewives putting down their own preserves will have the advantage of using both Canning sugar and "D" coupons for canning purposes, while housewives, who depend upon store preserves, will be able to exchange canning sugar coupons for preserves coupons.

The special sugar coupons for home canning will make available 10th sugar per person for home canning. The present alternative value of "D" coupons—1/4 lb of sugar—is to be continued.

Coupons for canning sugar will become valid about June 1st. It will not be necessary to apply to local boards for sugar.

## A Weekly Editor Looks At Ottawa

Parliament Hill is somewhat looking no more as the House is in Session again; there is a fresh lilt to the walk of most folks coming up Wellington Street and entering at the big ornate gates leading to the Peace Tower; the members from town, city, farm or fishing village are back on the job; democracy starts clicking again. That well known Ottawa landmark, the 10,000 gallon water tower which reared above the Imperial farm auditorium crashed to the ground when fire destroyed the building recently.

We think of salvage as a civilian job but it might interest you to know that the army goes in for it in a big way, using millions of dollars annually. A recent National Defence report showed that 826,000 pairs of boots and shoes were repaired and restored to service. They operate a boot repair plant which can produce 1,500 pairs each week, using uppers extruded from condensed boots. Articles scrapped and resold realized \$410,351. Recycled by contract, we fixed, were damaged tires, melware and galvanized steel, including more than a thousand boilers and twenty thousand pigs, hogs, mure and pigs. Cleared millions reared to garments of all kinds.

The Minister of labour is issuing an order which will put the most on employers to check male employees of military call-up to see if they have complied with mobilization regulations. An employment and municipal governments as well as private business or farmers, even where the employee is a son or other relative of the farmer.

## Mid Week Thought

FOR BUSY PEOPLE

RECONCILIATION

If you consult the dictionary, you will find reconciliation defined as "to restore friendship". No one can remain a Christian and harbour anything in the heart against another. God is most emphatic in His warning against hatred when He says, "He that hateth his brother is a murderer, and no murderer hath eternal life abiding in him".

The true follower of Christ knows that he must be reconciled and that he dare not go to the table of the Lord with anything in his heart against his brother. He knows that he dare not let coldness and indifference grow upon him, as it will only develop hatred; and that once established in the heart it is very hard to root out. Hatred is like the noxious grass, or stink weed which the farmer can never entirely eradicate from his land. It is like a cancer which ravages no remedy can hold in check. There is nothing more sad in all life than to see the one who at one time was sweet and beautiful in character and life, now weakened and contemptible because of allowing hate to develop in the heart. There was a time when he could have been eradicated, it is true; but now only a miracle can save the soul of such a one. He may go through the motions of religion and even preach the Gospel, but he knows himself that he has lost the sweetness and love which

## Only Two Day Easter Holiday

Hon. Solon Low minister of education said last week that unless a change is made at the forthcoming session of the Alberta Legislature which opens Feb. 11, there will be only two school holidays during the Easter period this year—Good Friday and Easter Monday. In previous years, school children received a week holiday during Easter.

Once gave him power. He knows and all others know, that he is only a shadow of his former self.

Let everyone place a barrier in their hearts against all coldness and indifference. No matter how ignorant, rude or cruel the actions of another may be forgive such a night, and forget. Then each morning as we rise to greet the new day, all sweet and fresh from the hand of God let us begin that day's work in love toward one another. Do not harbour and ill-feeling toward another, or it will not only spoil the day, but breed a host of emotions which will accumulate to make each moment more trying than the last, and in time weaken the very fibres of life itself. It is "love that suffers long and is kind". It is love that wins.

## ORDER SEED POTATOES NOW

Certified seed potatoes are being withheld from export to meet the requirements of Canadian growers, but the Plant Protection Division, Dominion Department of Agriculture points out, demands for these potatoes from other countries are very strong. Supplies not needed for planting in Canada should be placed for export in March before the season in the U.S.A. is too far advanced for planting. This means that orders for certified seed potatoes should be placed without delay while supplies are still available.

The planting of certified seed potatoes for table stock will give a heavier yield from each acre planted to such seed. Seed potato growers are reminded that fields entered for certification in 1944 must be planted with either "Foundation" or "Foundation A" seed.

The local District Inspector Seed Potatoes, Certification Plant Protection Division, Dominion Department of Agriculture has a list of growers having Certified, Foundation or Foundation A seed potatoes for sale.

PATRICIA BERRY

Roland Morrie, CBC Producer, hails over Patricia Berry, youthful CBC singer, to the care of the U. S. Army in the person of Colonel J. P. Frain, Commanding Officer U. S. Army Forces, Central Canada. Patricia is just starting a Journey from Winnipeg to northern base camps of the U. S. Army, to entertain the troops. "Take good

care of her, Colonel" says Roland. "I'll need her back for our Rhythm Fantasy Show" Patricia has now returned to Winnipeg and next month returns to the air as vocalist on three regular CBC programs from Winnipeg—Souvenirs of song Rhythm Fantasy and Red River Barn Dance.

## Canadian Certified Seed Potatoes Should be ordered AT ONCE

PLACE YOUR ORDER NOW, while supplies are still available. Seed potatoes are being withheld from export to meet the requirements of Canadian growers; but the demands from outside Canada are very strong and supplies not needed for planting in Canada should be released for export in March before the season in the U.S.A. is too far advanced for planting.

ORDER "CERTIFIED" for Table Stock Production. Larger crops are needed in 1944. Obtain a heavier yield from each acre by planting Canadian Certified Seed Potatoes.

ORDER "FOUNDATION" and "FOUNDATION A" for Certified Seed Production. All fields entered for certification in 1944 must be planted with either "Foundation" or "Foundation A" seed potatoes.

## POST-WAR PLANNER

"Sure there will be changes after the war... some are overdue. But I'm no robot. Whatever our post-war plans, I still want to see hard work rewarded and dividends paid on brains and initiative. I want the privilege of going into business for myself if I choose. That's why I am building a nest egg now at The Royal Bank of Canada."

Canada has grown to rich nationhood through the courage, resourcefulness and initiative of individual citizens. These qualities must be preserved in the challenging days ahead.

## PRESERVES RATIONS ARE INCREASED TODAY

Value of "D" coupons for preserves will double after today's Wartime Prices and Trade Board announcement. Because of the improved supply position housewives will now be able to purchase 20 fluid ounces of canned fruit per coupon instead of the original 10 fluid ounces.

Housewives will also be able to purchase 40 ounces of maple syrup and four coupons will now buy one quart. This increase is effective until May 31st, after which the quantity will be reduced to 34 fluid ounces per coupon.

Likewise the ration of maple sugar is to be increased from half a pound to two pounds per coupon during the winter year.

Ration of jam, jelly, mangle butter and honey butter increases from 6 to 12 fluid ounces and molasses from 20 fluid ounces (one pint) to 40 fluid ounces (one quart). The coupon valued corn, cane or any blended table syrup has been increased from 14 to 15 ounces, but cranberry remains at a coupon value of 12 fluid ounces.

The alternative purchase of half a pound of sugar per coupon is unchanged.

### MORE ABOUT

## Red Cross Meeting

Continued from last week

1223 garments were shipped to Calgary and 135 articles to the Superfluous Shop. 33 articles of fruit and jam, 17 tins of vegetables to the Red Cross Crispbread Children's Hospital. 3,000 magazines and books were sent to the forces.

The President, Mrs. Davis, in submitting her report for the year gave a detailed report of attendance at the Provincial Annual Meeting in Calgary. She then read her report of the activities of the Bassano Branch for the year. These included statistics relative to goods made up and shipped as follows:

During the year we sent from our headquarters 1223 articles. Rosemary—41, Dorothy—56, Makenpeace—45, H. Bassano—81. Of these 1223 articles, 244 were knit and 50 quilts. We sent in five quilts a month and a number of infant crib quilts. We have cut and assembled these in our workroom here. The women during the year cut 1429 1/2 yards of Flannellette into 318 nightgowns and pyjamas for children ranging in size from 10 to 14 years. 40 yds of wool coating and 53 yards of lining no 10 coats. 62 1/2 yards of wool material into 143 sleeping bags for the Russian Relief. 50 yards of blue Elderdown into 60 nightgowns. 50 yards of 72 inch pink Elderdown into 107 baby blankets some of which were buttonholed and crocheted around by a few of the young girls for whom we are very grateful. 10 yards of khaki drill into 36 comfort bags.

We have a few ladies who make a garment a month at home as they cannot come out, others that make a garment a week and quite often more. We have one lady who has turned in over 100 articles from the 22nd of June to the 31st of December and another very close follower.

We have had two raffish, these were handled by the girls' club. The Nutty Knitters which Zeta Marriot handled so graciously. May I thank the young people for their efforts. May I thank the gentlemen and the executive for the grand job they did in sponsoring the dance, which added \$85.00 to the funds of the Branch. In closing my report, I would like to express our sincere thanks to the Mayor and Councillors of Bassano for the use of their spectacle building, our Red Cross Headquarters, as it has been a pleasure to work in it. To Mr. J. R. Donaldson for auditing the books each month and at the end of the year. To become our sincere thanks to his capability. To Mr. H. W. Harper, chairman of our Finance Committee, always seeing that we have the right equipment to work with. To our Vice-President for her help and understanding at all times. To all the country branches who have been most helpful at all times. To all our Committees for the excellent work during the year. Again I would like to thank you one and all for the help and consideration you have shown me during the past year. I deeply appreciate both.

Joquin Miller once was guest at a formal dinner at a friend's house where he later spent the night. Next morning the hostess mentioned her gown that she had worn the night before.

"But didn't you really like my dress," she asked.  
"Well," replied Miller, "I liked part of it well enough."  
"Indeed?" exclaimed the hostess. "What part?"  
"The part you had on," Mr. Miller replied quietly.
